Valerie and Jan,

Please see attached the report from site visit.
Sorry for not cc-ed you, but my brain was not completely functioning on Sat.

Maria

Dear all,

thank you very much for the hospitability this past week. I really appreciate all the effort and sleepless nights you had to sacrifice for the smooth and correct study conduct.

Please find attached a brief summary of my visit at PHX site. You are more than welcome to rise any comments, corrections, or additions.

Again thanks a lot

Maria

PS: Please share the attached document with others whom I am missing in my distribution list. Thanks.
